2 v.

3 Sergio Roberto CHAVEZ-Yanez

4 STATEMENT OF FACTS

5 This statement of facts is based on the reports, documents, and notes furnished
6 to Immigration and Customs Enforcement Special Agent Chad N. Worgen.

7 On April 24, 2008, at approximately 2115 hours, Sergio Roberto CHAVEZ-Yanez
8 entered the United States from Mexico at the Calexico, California East Port of Entry
9 vehicle primary lane # 3. CHAVEZ was the driver, sole occupant, and registered owner
10 of a 1993 Nissan Sentra with California license plate number 5PKY583.
11

12 Customs and Border Protection Officer (CBPO) S. Baca was assigned primary
13 inspection duties on lane # 3 when CHAVEZ applied for entry. CBPO Baca received a
14 negative oral Customs declaration from CHAVEZ. CHAVEZ stated to CBPO Baca that
15 he was the registered owner of the vehicle, and he purchased the vehicle approximately
16 six months prior.
17

18 During questioning, CBPO Baca observed CHAVEZ was avoiding eye contact
19 and his hands were shaking while presenting documents. During a cursory inspection
20 of the vehicle, CBPO Baca observed a non-factory compartment located underneath
21 the rear seats above the vehicle gasoline tank. CBPO Baca escorted both CHAVEZ
22 and the vehicle to the secondary lot, and turned CHAVEZ and the vehicle over to CBPO
23 M. Almaghraby for an intensive inspection.
24

25 CBPO Almaghraby approached CHAVEZ and received a negative oral Customs
26 declaration. CBPO Almaghraby requested Canine Enforcement Officer (CEO) E.
27
28
29

1 Leon to screen the vehicle with his Narcotics Human Detector Dog (NHDD). CEO Leon
2 informed CBPO Almaghraby that his NHDD had alerted to the rear seat of the vehicle.

3 Upon further inspection of the rear seat area of the vehicle, CBPO Almaghraby
4 discovered a specially built non-factory compartment located underneath the rear seat,
5 above the gasoline tank. CBPO Almaghraby probed a hole located within the
6 compartment and discovered a package. CBPO Almaghraby probed a package, and it
7 produced a brownish substance that field-tested positive for heroin. A total of 3
8 packages of heroin were removed from the compartment. The total weight of the
9 packages was 1.84 kilograms (4.05 pounds).
10

11
12 CHAVEZ was arrested for violation of Title 21 United States Code 952 and 960,
13 Importation of a Controlled Substance. CHAVEZ was read his Miranda rights, which he
14 acknowledged and waived. CHAVEZ stated he had owned the vehicle for two and a
15 half to three years. Approximately four months ago, he discovered a non-factory
16 compartment located underneath the rear seat of his vehicle. CHAVEZ stated that he
17 revealed this information to his high school friends in Mexicali.
18

19 On the date of arrest, CHAVEZ stated he knew that someone in Mexicali had
20 purposely placed something within the compartment, but he did not know specifically
21 what was hidden inside the compartment. An inspection of the compartment revealed it
22 was too small to hold an adult or a child.
23

24 CHAVEZ stated that he was to be paid \$1,000.00 to successfully cross the
25 vehicle. CHAVEZ stated this is the first time that he had ever attempted to smuggle
26 narcotics. CHAVEZ was processed and booked into the Imperial County Jail to await
27 his appearance before the United States Magistrate Judge.
